

Have I Forgotten

Duet 8:6-20, Luke 14:27, Luke 23, Psalm 103

Have I forgotten the cross my Lord
When I carry not my own
Have I forgotten the crown You bore
Upon your sacred head
O help me not forget

Have I forgotten Your hands were pierced
When I hold on to this world
Have I forgotten Your love so fierce
Gasping for Your breath
Oh help me not forget

**The cross, the cross
My soul remember this
what love, what cost
O help me not forget**

Have I forgotten my guilt was washed
When I cannot lift my face
Have I forgotten my sins are gone
As far as east to west
Oh help me not forget

Have I forgotten the mystery
When i've heard it all before
Have i forgotten how to believe
My doubt is strong and yet
This heart cannot forget
