

One Thing

Phil 1:20, Psalm 145:13, 46:10

For Erick there was one thing, one thing and nothing more
That moved his growing family to the slums of Bangalore

For Becca there was one thing, one thing that kept her home
She gave up her career to take an orphan in her arms

What would make a man so bold
Make a woman lay her own life down
Only one thing

**Jesus Christ, Magnified
All over the world
Lifted High, glorified
All over the world
Only One thing
Is Worth everything
Jesus Christ, Magnified
All over the world**

For David there was one thing he gave his life to preach
His church in China meets in secret growing every week
For Ruby there was one thing that kept her in the choir
It hurt to stand at 90 but she worshipped with a smile

What would make a man so bold
Make a woman lay her own life down
only one thing

Bridge:

For us now there is one thing
A choice that we all have
Living for our kingdoms or the only one that lasts...
